GLC Treasurer/Financial Officer's Report

The GLC affirmation of faith is captured in the following quote:

Jesus asked Peter, "Who do you say that I am?" Simon Peter replied, "You are the Christ, the Son of the living God." Matthew 16: 15-16

The GLC team has a story to tell about how the Lord was at work in our Conference in 2023, a year of blessing and challenge as told in the numbers.

Balance Sheet – The General Fund cash balance increased from \$292,796 in 2022 to \$300,469 in 2023, a \$7,673 improvement primarily due to increased Church Support. This is important to note because the primary management tool for the Board is the General Fund balance, which we monitor closely.

Our 50% co-guaranty with the ECC on 4 GLC church loans with National Covenant Properties totals \$1.36 million. The Mission Meadows loan was paid in full in December, a huge blessing. We have a \$325,000 loan guaranty reserve to reflect our exposure. The Board recognizes the importance of minimizing the risk of future loans.

Restricted funds for Church Planting total \$364,300 [including \$50,000 in matching grant funds] and Vitality restricted funds from the sale of Redeemer = \$47,700. Our overall cash position remains strong with 128 days unrestricted cash on hand.

Income Statement – After a Covid-driven decline from 2017 – 2022, our Church Support income increased in 2023 to \$419,930, a welcome "change in direction" of our major source of revenue. As a result, our "bottom line" was a net loss of \$(88,038) vs a consolidated budget loss of \$(146,671); the General Fund was a net \$0, however [see the Schedule of Activity for detail].

2024 Budget – The proposed budget for 2024 reflects the upward trend in Church Support with a level of \$435,000, a 3.6% increase over 2023 actual. The overall budget is a profit of \$112,500 primarily due to the \$225,000 closed church proceeds anticipated from the sale of Bethany Covenant, Lyndhurst OH. Our General Fund budget is balanced at \$0 utilizing the Foundation Planting grant to fund church plant coaching and expenses at a \$55,000 level. Investment income of \$55,000 reflects an emphasis on cash management which provides much-needed resources for ministry.

As indicated in the opening comments, 2023 included blessing and extreme challenge. The goal of the GLC remains the same; we strive to have each church in the Conference be healthy and missional in our quest to spread the Good News of the gospel.

Bottom line: We have truly been blessed! The hard work of Staff, Board, and church partners has prepared a solid foundation for ministry expansion in 2024 and beyond.

The GLC has 3 primary sources of income: Church Support, Mission Friends, and Covenant Planting/Vitality funds in partnership with the ECC.

Church Support of \$419,930 was 5% over budget and \$12,400 better than 2022.

Church Support is the life's blood of the GLC's financial viability.

Mission Friends giving is comprised of general support to the GLC budget and designated support for church planting.

Covenant Support is comprised primarily of a 50/50 sharing arrangement for Church Planting which leverages funds to optimize Church Plants and shared funding for Vitality initiatives.

Two Foundation Grants have been funded to further church planting initiatives; \$150,000 was received in 2019 to match donor gifts to launch 4 new church plants and \$90k was received in 2021, \$65k in 2022, and \$70k in 2023 to fund the costs of a part-time staff position of Church Planter Coach.

Cash mangement efforts have generated \$55,000 in funding for ministry.

Oil Royalties are generated from GLC rights at Portage Lake Covenant Bible Camp; all royalties are remitted to the Camp as Outreach Support of its ministries.

Church Development continues to increase in importance as existing GLC churches face the challenges of maturing in a difficult environment.

Existing Church Development funds are utilized to assist mature churches with pressing needs.

Midwest Ministry Development is an ECC program designed to enhance local church ministry.

In 2021 and 2022, the ECC provided \$100,000 to support Urban/Rural under-resourced churches and an additional \$50,000 for Church Vitality initiatives, major investments to combat Covid hardships.

Leadership Conferences have come back following Covid restrictions.

Our Pastor-in-Crisis Fund is primarily funded from the goodwill offering at the GLC Annual Meeting and these designated funds are an invaluable tool to assist GLC pastors in a time of critical need.

The GLC website is a powerful tool filled with resources and information. Remember to access this free tool for your varied ministry needs @ www.greatlakes.cc
