February 6-8, 2026

Weekend Retreat at the

*A Space to Discern
 God’s Call to Ministry*

Are you sensing a nudge from the Holy Spirit but aren't sure what it means?

The Exploring Call Retreat is a space to slow down, listen, reflect, and explore God's unique call on your life—whether in a church, nonprofit, camp, the marketplace, or somewhere in between.

This is for anyone post-high school and beyond, both men and women who are curious about vocational ministry in all its forms.

During the retreat, you'll have space to:

- ★ Reflect on how God calls people to ministry
- ★ Explore different paths and expressions of ministry
- ★ Consider your own story and sense of calling
- ★ Learn about the Covenant Church and its values
- ★ Discern next steps in your journey
- ★ Connect with others on a similar path
- ★ Experience prayer, worship, and encouragement in community
