Additional Information

We recognize the cost is more than some can afford. We do have scholarships available. A link to the scholarship form is provided below if you are in need of a scholarship; our goal is that finances would not prevent anyone from attending. The scholarship form must be submitted by July 15th.

We have looked for other venues to try to reduce the costs. However we have not been able to find any that are of sufficient size and "somewhat centrally located" for our geographically diverse conference. If you have any suggestions for future years, please feel free to forward them to any of us on the Executive Committee.

LEARNING TO WALK AND NOT FAINT

This year's retreat will be led by a team from the Ministry 'Rooted Pastors'. They exist to help pastors, church leaders, and their spouses be rooted in the love of God for the flourishing of the church and the healing of our broken world. Leading our retreat from Rooted Pastors include Pam Pangborn, Kevin Butcher, William Mack, and Matt Ness. Our worship leader from Rooted Pastors will be David Simmons. For more information on their ministry, go to rootedpastors.org

Learning to walk and not faint is centered upon *Isaiah 40:28-31* and focuses on nurturing resilience in pastoral ministry and life. What it means to truly hope in the Lord while renewing our strength, and continuing to walk, even when life and ministry feel difficult. A central theme of the retreat is the importance of embracing joy, as well as being willing to lament, when we are faced with challenges in life and ministry. Being willing to embrace both joy and lament nurtures resilience.

This retreat will be a balance of worship, teachings, and reflective time with Jesus.
